

# Growing your profits

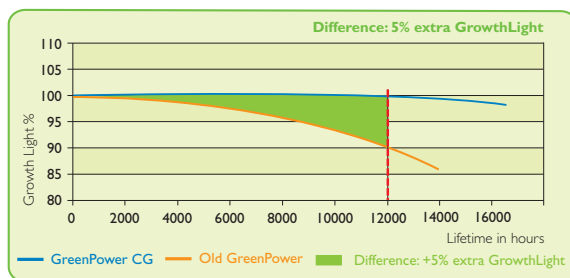

## Philips MASTER GreenPower CG

### NEW Philips MASTER GreenPower CG 400/600W 230V lamps

- Constant GrowthLight over lifetime
- With a service life of 12.000 hours

If your lamps are coming to the end of their life, it's now time to consider investing in the new Philips MASTER GreenPower CG lamps that bring you constant GrowthLight over lifetime.

Constant GrowthLight means extra GrowthLight over the service life of the lamp.

A well known rule-of-thumb is that 1% extra GrowthLight brings 1% extra crop yield.

The difference is up to 5% extra GrowthLight over service life:

- same number of burning hours - 5% extra production
- same amount of growthlight - burn less hours and save on energy

	GrowthLight initial	Lifetime hrs	GrowthLight 12000 hrs
MASTER GreenPower CG 400W	725 $\mu\text{mol}/\text{sec}$	12.000	725 $\mu\text{mol}/\text{sec}$
MASTER GreenPower 400W	725 $\mu\text{mol}/\text{sec}$	12.000	667 $\mu\text{mol}/\text{sec}$
MASTER GreenPower CG 600W	1100 $\mu\text{mol}/\text{sec}$	12.000	1100 $\mu\text{mol}/\text{sec}$
MASTER GreenPower 600W	1100 $\mu\text{mol}/\text{sec}$	10.000	1012 $\mu\text{mol}/\text{sec}$

Switch to Philips MASTER GreenPower CG lamps and see what savings you can make per lamp.
